Carroll Hospital Center is pleased to announce our fifth Vendor Fair. On **Friday, April 9, 2010**, from **7 a.m. to 2 p.m.**, vendors will have the opportunity to display their products at various locations throughout our facility to more than 1,000 physicians and employees from all areas of our hospital, with the proceeds benefiting the Carroll Hospital Center Foundation.

As hospitals across the State are trying to navigate through these challenging economic times, our hospital has been able to remain fiscally strong and achieve economic success thanks to healthy partnerships with our vendors. We look forward to continuing our partnerships and to forging new ones through your participation in our Vendor Fair. We encourage everyone to communicate with us electronically to register for the event.

Also, in our commitment to creating an eco-friendly hospital, we have dedicated our campus smoke-free and tobacco-free to provide a healthier environment for our patients, visitors and staff.
