A Very Special Way
to Honor Your New Baby

BLESSED BEGINNINGS

A VERY SPECIAL WAY TO HONOR YOUR NEW BABY

Welcoming a new baby into the world is one of life's most joyous events, a moment you'll cherish forever. All of us at Carroll Hospital Center's Family Birthplace are honored that we were able to share this special time with you.

The early years will be filled with wonder and awe as you watch your precious little one change and grow. A unique way to commemorate your baby's arrival, and to share your joy and pride, is by inscribing a Baby Block on our Blessed Beginnings wall.

Baby Blocks help us build and expand our obstetric and pediatric services, ensuring that parents and their newborns will have all the advantages of our state-of-the-art care for generations to come.

Parents, grandparents, aunts, uncles and friends can purchase Baby Blocks for any child who was born at Carroll Hospital Center, no matter when he or she was born.

BABY BLOCKS ARE AVAILABLE IN FOUR SIZES

Etched Glass (\$900):

A beautifully etched Baby Block with a 7" x 7" space for your baby's name, birth date and parents' name, as well as a special message.

Small Etched Glass (\$700):

A beautifully etched Baby Block with a 4" x 4" space for your baby's name, birth date and parents' name, as well as a special message.

Brass Plaques

Large (\$500):

Your baby's name, birth date, parents' name and a special message will appear on a 3 1/2" x 3 1/2" space.

Medium (\$300):

Your baby's name, birth date and parents' name will appear on a 2 1/2" x 2 1/2" space.

Small (\$100):

Your baby's name and birth date will appear on a 2" x 2" space.

Your tax-deductible, charitable gift is the perfect way to honor your new baby. Your gift also makes it possible for other newborns to receive the superior care they need to begin healthy and happy lives.

To order your Baby Block, simply complete and mail the attached form with a check made payable to the Carroll Hospital Center Foundation. For more information, please call the Foundation at 410-871-6200.

Remove at perforation, complete form then fold, insert check and seal flap.
